Mobile Banking Service

- **Description of Service.** Mobile Banking is offered as a convenience and supplemental service to our Online Banking services. It is not intended to replace access to Online Banking from your personal computer or other methods you use for managing your accounts and services with us. Mobile Banking allows you to access your account information, make payments, transfer funds and conduct other banking transactions.
- **Use of Service.** In order to properly use Mobile Banking, you should review and follow the instructions provided on our website. You agree to accept responsibility for learning how to use Mobile Banking in accordance with the online instructions and agree that you will contact us directly if you have any problems with Mobile Banking. We may modify the Service from time to time at our sole discretion. In the event of any modifications, you are responsible for making sure you understand how to use Mobile Banking as modified. You also accept

responsibility for making sure that you know how to properly use your Device, and we will not be liable to you for any losses caused by your failure to properly use the Service or your Device. We reserve the right at all times to take actions to protect our systems and information, including denial of access to users of the Service.

- **Enrollment.** To utilize the Mobile Banking service, you must be enrolled in the Bank's Online Banking service. Once you receive your log-in credentials, you may log on to your account from your Mobile device by going to the iTunes App Store or Google Play App Store to download our app. (We reserve the right to limit the types and number of accounts eligible and the right to refuse to make any transaction you request through Mobile Banking. We may also reserve the right to modify the scope of the Service at any time).

Mobile Banking may not be accessible or may have limited utility over some network carriers. In addition, the Service may not be supportable for all Devices. The Bank cannot guarantee and is not responsible for the availability of data services provided by your mobile carrier, such as data outages or "out of range" issues.

- **Changes to your mobile number.** If you switch phone numbers, you must contact us so we can update your phone number to allow the use of Two-factor Authentication (2FA) to access your accounts and allow any text messages regarding transactions and alerts to be sent to your phone.
- **Deactivating Service.** If you no longer wish to have access to the Mobile Banking service you may deactivate the Service by logging on to the Mobile App, select Settings, choose Remove Profile, and delete the app from your devices.

Other Agreements

You agree that, when you use Mobile Banking, you remain subject to the terms and conditions of your existing agreements with any unaffiliated service providers, including, but not limited to, your mobile service provider and that this Agreement does not amend or supersede any of those agreements. You understand that those agreements may provide for fees, limitations and restrictions which might impact your use of Mobile Banking (such as data usage or text messaging charges imposed on you by your mobile service provider for your use of or interaction with Mobile Banking), and you agree to be solely responsible for all such fees, limitations, and restrictions. You agree that only your mobile service provider is responsible for its products and services. Accordingly, you agree to resolve any problems with your provider directly without involving us.

Any deposit account, loan or other banking product accessed through this Service is also subject to the Deposit Account Agreements and Disclosures provided at the time of Account opening, or as the same may be subsequently amended or modified. You should review the Account disclosures carefully, as they may include transaction limitations and fees which might apply to your use of Mobile Banking.

Permitted Mobile Banking Transfers

You may use the Service to transfer funds between your eligible St. Johns Bank Accounts ("Internal Transfer") or between your St. Johns Bank and External Accounts you have enrolled ("External Transfer"). Transfer transaction requests received after 5:00 p.m. CST on business days and all transactions which are requested on Saturdays, Sundays, or Holidays, will be processed on the Bank's next business day. You must have sufficient funds available in the selected account at the time the transfer request is received, including any available Overdraft Privilege (normal Overdraft Privilege fees would still apply).

St. Johns Bank limits the way withdrawals may be made from a savings or money market account. Each transfer from a savings or money market account using Mobile Banking is counted as one of the six limited transactions permitted each monthly statement cycle period, as described in the Deposit Account Agreement and Disclosures. You may be subject to fees or account conversion if you exceed the transactions limits of your Account using Mobile Banking or any other methods outlined in your Deposit Account Agreement and Disclosures.

You agree to confirm the completion of each transfer in your account balance and transaction history before withdrawing transferred funds.
